This plan is what I had suggested to the Chief Engineer. What is marked as "Examination Room" in the plan is to be the "Dressing Room" and should have a wooden partition for the use of male and female patients. The room marked "Dispensary" will be the "Prescribing Room". With these changes made, the plan will be all right.

GENL. & REV. SECTT. Bg. 5 2n 10. MAY 1926 G. D. SECTION.

The plan in question is based on what I, as District Medic Officer of Shimoga, got prepared in consultation with Mr.M.V. Sundaram Iyer (then Executive Engineer of Shimoga) about the year 1908, for the Kumsi L-F.Dispensary, as best suited to the requirements of an L.F.Dispensary.

As too high an elevation would not only add to the cost but also add to the difficulty in keeping the building tidy, I suggested a reduction in the elevation and the plan now in question is the result. It meets all the requirements of a rural dispensary with in-patients' wards.

The division of what was originally one "Examination Room", by a partition, into two portions, one to be used as a "Dressing Room" and the other, where an operation table would be provided, to be used as "Examination Room" and also for doing minor operations, for men and women (since patients will be attended to only one after another) was also suggested by me, to add to the convenience of work, without additional cost

Its adoption as Type Design of an L.F.Dispensary may therefore be sanctioned.

(a) Peoples contribution	Rs 2,000.
(b) District Board	4,000.
(c) Govt	3,140.
	9,140.

159) Of the people's contribution (a), a sum of Rs 1,749-4-5 has already been recovered in cash, and a balance of Rs 250-11-7 has been shown against them. In the meantime, the District Board has utilized a sum of Rs 274 out of the above cash contribution, for the Foundation stone laying ceremony in 1925. The total balance that is due for the construction is Rs 524-11-7 It is this amount that is now proposed to be recovered from the villagers, as the D.B. plead their inability to pay anything more than Rs 4,000 already paid by them.

160) The contention of the villagers is that they have already paid in cash Rs 1749 in addition to a site worth Rs 500, and that as the total of these two exceeds the sum of Rs 2,000 promised by them, they are unable to pay anything more. This contention appears to be reasonable.

(2) Whether the District Board may be reasonably asked to pay it. They have utilized a sum of Rs 274 out of the people's contribution, for the expenditure on the Foundation stone ceremony, which they should have borne out of their own funds. They may perhaps be called upon to refund that amount. They were also liable to pay for establishment & tools & plant charges, for which the G.O. of 31.8.25 sanctioned a sum of Rs 720. As the building was sanctioned at the earnest request of the District Board, it seems only reasonable that the small difference of about Rs 250 still remaining, should be contributed by the Board.

Sir,

In forwarding herewith, for the information of Govermt, a copy of the petition dated 23rd September 1924, addressed to me by the residents of Hiresave, Chamarajapatna Taluk, stating that they have collected a sum of Rs.2,000 for the construction of a dispensary building as the District Board has not taken any steps to provide the building as promised, and requesting me to arrange for a suitable site being selected and given to them for constructing the said building, I have the honour to state that as such self-help on the part of the villagers deserves every encouragement, I intend taking an early opportunity of visiting the place when I shall take the necessary steps for selecting a site and submit further proposals to Government after consulting the District Board also, if need be, about their contribution towards their quota of the cost of a building of the standard design, or, if possible, settle with the residents for their undertaking the construction themselves, according to the approved plan.

I have the honour to be,

Sir,

Your most obedient servant,

~~Senior~~ Surgeon.

Petition dated 23rd September 1924 from the residents of Hiresave Chennarayapatna Taluk to the Senior Surgeon in Mysore, Bangalore.

We the people of Hiresave in Channarayapatna Taluk, most respectfully beg to bring the following few lines to your honour's kind consideration.

We were getting epidemic diseases since 15 or 16 years. Many people died in the above diseases. When your honour was officiating Senior Surgeon your honour was pleased to sanction a Local Fund Dispensary to this place since 1st July 1923. Since that time we are safe from all kinds of diseases. When the Dispensary was sanctioned the District Board consented to get us a building worth Rs.7,000. But till now we not fortunate to get the amount or the building from the said District Board and for the present the dispensary is located in a rented building, last suitable for the hospital. Besides there is no ward accommodation for such of the people who desire to remain for some time.

Under the circumstances represented above we the people of Hiresave have collected Rs.2,000/- for the building. The only help that we require from your honour is to get us a suitable site from the Government on which to erect a building.

Praying that speedy arrangements will be made by your honour in getting us a site in your time.

HASSAN

Through the Deputy Commissioner, Hassan District.

Rec'd 15-24-48

Sir,

In forwarding herewith the file of correspondence ending with the Executive Engineer's letter No.810 dated 27/31st August 25, about constructing a combined Dispensary and an in-patient ward at Hirisave and the resolution of the District Board a proving of the estimate, passed at its meeting held on the 8th August 25, I have the honor to state as follows:-

After a very careful consideration about the necessity for a ~~Vydyasale~~ Dispensary at Hirisave on account of its peculiar situation and the local condition of the place the Government were pleased to sanction the establishment of an L.F.Dispensary at the place in their order No.L.8217-20/Med. 119-22-6, dated 23rd June 23 and the Dispensary was accordingly opened on 1st July 1923 in a rented building.

On the application of the villagers praying for the construction of a Dispensary building and on their coming forward with a liberal contribution of Rs 2,000 as their quota of contribution for the new building, the subject was placed before the District Board, at its meeting held on 7th February 1925 and a resolution was passed as follows:-

"The Vice President, District Board, visited the

spot and the residents of the place have given a mutchalika that Rs 300 which forms the Village Common fund now with the Taluk Amildar may be used, that Rs 900 now in the Co-operative Society may also be used for the purpose and that the balance to make up Rs 2300 would be collected and deposited in a month. Further steps may be taken to collect the funds and arrangements made for a Hospital building being constructed at the place with the aid of grants from District Board and Government".

It was therefore thought that it was high time to provide them with a new building to be constructed as per type design and a provision of Rs 12,000 was therefore made for the purpose in the Budget estimates of the District Board for the current year, the details for this amount being Rs 2000 ryots' share of contribution Rs 4000 Board's share and Rs 6000 Government's share; but the Government have in their order No.L.1515-22/L.B. 114-24-32, dated the 31st August 25, while sanctioning the budget estimates of this Board reduced this item to Rs 4000 plus Rs 720 for the establishment and tools and plant charges.

Anyhow there is a provision of Rs 4000 this year for meeting the cost of the construction of this building.'

The Vice President, District Board after a careful examination of all the lands at the place, selected S.No.475 (resurvey No) about half an acre of which worth about Rs 500 though valuable was generously offered by one Mr. Tirumalagirigowda, once the District Board and the Representative Assembly Member. The villagers were also agreeable to our entering upon and taking up about another half an acre of land out of S.No.474, Devadaya Inam, and correspondence is made with the Revenue Department to hasten the acquisition proceedings.

The Senior Surgeon, who having visited the place in the month of March 25, has stated that a new building is very necessary as the existing rented building in which the Dispensary is located is not suitable for the purpose and he has also ap-

approved of the site selected for the purpose.

After going through all the above formalities, the Board requested the then acting Dewan Sahib Mushir-Ul-Mulk Mir Humza Husein, Esq., B.A., B.L., to lay the foundation stone of this building and he was pleased to perform the function, and the foundation stone was accordingly laid by him on the morning of the 13th March 1925. The necessity for a new building can be further seen from the speech delivered by him, on the occasion.

I, therefore, request that you will be so good as to kindly obtain early sanction of the Government to the said estimate and to kindly move the Government to accord sanction to their quota of cost towards the construction of the building, as per rules in force on the subject.

The plan of the building is also enclosed.

I have the honor to be,
Sir,
Your most obedient servant,

President,
District Board, Hassan.

Bangalore.

Sir,

With reference to your Memo No.G.2764-5 dated the 9th September 1927, forwarding for necessary action a copy of your letter No.G.2763/Med. 15-24-79 dated 8th September 1927, addressed to the President, District Board, Hassan, re: immediate collection of the people's contribution for the construction of the Local Fund Dispensary building at Hirisave, Chennarayapatna Taluk, I have the honor to state that on receipt of your communication, both the President of the District Board Hassan and the Amildar of Chennarayapatna Taluk were written to by me in the matter, and the latter was instructed to persuade the people and collect the amount at once if it was still due from them. The President of the District Board has not yet responded to my communication; while, the Amildar of Chennarayapatna reports in his No.H.C.13-27 dated 28th December 1927 that according to the information furnished to him by the President of the District Board in his No.G.3460-27 dated 15th December 1927, out of [illegible]/- paid so far on this account by the villagers; a sum of 274/- was utilised by the District Board towards expenses connected with the laying of the foundation stone for the building by Mushirmulk Mr. Mir. Hamza Hussain, Offg. Dewan (probably in March) and the balance of R.676/- credited to the Treasury under District Board Funds and that a sum of R.1384/- is still due from the people. From the Amildar's report, it is also gathered that villagers are agreeable to adjust towards the contribution the sum of R. 381/- being the village common fund held in Savir-

Deposits in the name of one Kalegowda and another sum of Rs.412/- being the villager's contribution towards the cost of repairs of the school building which is also held in Savings Bank Deposits in the name of the Amildar and - that they want some time to pay up the balance of their contribution. The Amildar states that he is taking action to adjust the amounts held in S.B. Deposits and referred to above as desired by the villagers and that the construction of the building may be started. I am addressing the - President District Board, and the Executive Engineer, Hassan to take needful action in the matter. The Amildar of - Chennarayapatna Taluk has also been directed to persuade the villagers and recover the balance of contribution as early as possible.

I have the honor to be,

Sir,

With reference to the correspondence ending with your letter No. G.1515/Rev. 15-24-27 dated 28-5-27 regarding the recovery of the balance of the people's contribution towards the cost of construction of the dispensary building at Hirisave Channarayapatna taluk, I have the honour to state that the Amildar of Channarayapatna taluk reports in his No. C.1a-7/.. dated 26th July 1928 that out of the contribution of Rs.2000/- promised by the villagers, a sum of Rs.1748-4-5 has been recovered and credited to the Treasury besides the gift of a site valued at about Rs.500/- made by them for the building. Out of the cash contribution paid by the villagers, a sum of Rs.274/- seems to have been utilised by the District Board for expenses connected with the foundation laying ceremony in 1925, as already reported in this office No.C.31-27 dated 20-1-28. Deducting this amount, the villagers' contribution of Rs.1475-4-5 has already been recovered, and it is reported that the villagers plead inability to pay the balance of the contribution and pray that they may not be pressed to pay anything further in view of the fact that including the value of the site, their contribution exceeds what they promised and amount to Rs.2249-4-5 nearly and that they are hard up for their own maintenance owing to the failure of crops on account of adverse seasons. I

conditions for some years past. Their statement recorded before the Amildar on 9th July 1928 and the vernacular correspondence ending with the Amildar's report No. C.R-27/H. dated 26-7-28 on the subject are forwarded herewith for favour of orders of Government.

I think that in the circumstances, represented above, the balance of contribution viz., ₹524-11-7 to make up the amount of ₹2000/- promised by the villagers may be met by Government and the District Board. I request that the matter may be placed before Government and their orders obtained on the subject. I am addressing the President, District Board, Hassan, also to move the Board and obtain their resolution in this behalf.

S i r,

With reference to your Memo No.G.2764-5 dated the 9th September 1927, forwarding for necessary action a copy of your letter No.G.2763/Med. 15-24-79 dated 6th September 1927, addressed to the President, District Board, Hassan, re: immediate collection of the people's contribution for the construction of the Local Fund Dispensary building at Hirisave, Chennarayapatna Taluk, I have the honor to state that on receipt of your communication, both the President of the District Board Hassan and the Amildar of Chennarayapatna Taluk were written to by me in the matter, and the latter was instructed to persuade the people and collect the amount at once if it was still due from them. The President of the District Board has not yet responded to my communication; while, the Amildar of Chennarayapatna reports in his No.H.C.13-27 dated 28th December 1927 that according to the information furnished to him by the President of the District Board in his No.G.3460-27 dated 13th December 1927, out of the amount paid so far on this account by the villagers; a sum of Rs.274/- was utilised by the District Board towards expenses connected the laying of the foundation stone for the building by Mushir-ul-Mulk Mr. Mir. Hamza Hussain, Offg. Dewan (probably in March 1927) and the balance of Rs.670/- credited to the Treasury under District Board Funds and that a sum of Rs.1324/- is still due from the people. From the Amildar's report, it is also gathered that villagers are agreeable to adjust towards the contribution the sum of Rs. 331/- being the village common fund held in Savings

Deposits in the name of the Amildarsa and another sum of Rs113/- being the villager's contribution towards the cost of repairs of the school building which is also held in Savings Bank Deposits in the name of the Amildar and - that they want some time to pay up the balance of their contribution. The Amildar states that he is taking action to adjust the amounts held in S.B. Deposits and referred to above as desired by the villagers and that the construction of the building may be started. I am addressing the - President District Board, and the Executive Engineer, Hassan to take needful action in the matter. The Amildar of - Channarayapatna Taluk has also been directed to persuade the villagers and recover the balance of contribution as early as possible.

CHIEF SECRETARY,
29 JULY 1929

Sir,

Adverting to the correspondence ending with my letter No.C.318-27 dated 17-7-1929, in re: recovery of the balance of the villager's contribution towards the cost of construction of the Dispensary building at Hirisave, Chennarayapatna Taluk, I have the honour to forward, herewith, for favour of orders of Government, a copy of Report No. 47 dated 22-7-1929, from the Amildar of the Chennarayapatna Taluk, along with a copy of the resolution of the local Village Panchayet dated 21-7-1929, received therewith on the subject.

2. The Amildar reports that inspite of his persuasion, he was not able to collect the balance of the contribution from the villagers as they demur to pay any amount on this account. As already stated in my letter No. C.318-28 dated 6-8-1929, the villagers seem to plead utter inability to pay up the balance of the contribution on account of the adverse seasonal conditions and failure of crops and their consequent impoverished state. The finances of the local Village Panchayet also are not in a flourishing condition. It is reported that the Panchayet have only a small balance of Rs 390-9-4, which is quite inadequate to meet their current demands. They too plead utter inability to pay the contribution out of the Village Panchayet funds, and have passed a resolution to this effect. In their resolution they request that having regard to the fact/they have given away a site

R.500/- free of cost and a large cash contribution already for the dispensary building and that the building was constructed at a reduced cost of R10,000/- as against R12,000/- estimated for it, the further contribution from the Villagers on this account may be waived. They observe that the District Board have been enjoying the income from the local weekly shandies for nearly 14 years but have not spent anything for the benefit of their villa e so far. In these circumstances, the Amildar recommends that the balance of the contribution due from the villagers may be waived. I agree with the Amildar in this view, particularly, as the villagers have not been able to pay even the village panchayet taxes for many years and have been urging for remission of a heavy account outstanding against them in the accounts.

3. As it seems from the references addressed to me by the D.P.W.Officers that a portion of the claims of the contractor for constructing the Dispensary is still outstanding settlement pending recovery of the villager's contribution fully and as the District Board President has already, in his No.P.R.167-28 dated 10-9-1928, a copy of w.ich was forwarded to Covernment with my letter No.C.318-27 dated 19-9-1928, commu ic_ted that the District Board are not prepared to meet the balance of contribution out of their funds, I request that Government may be pleased to approve of the amount in question being paid out of the P.W.Grant or the Rural Reconstruction grant from the General Revenues for the current year.

I have the honour to be,

Sir,

Your most obedient servant,

Deputy Commissioner,

Hassan District.

412-0-0 ಅಡ್ಡ ಸಾಲುಗಳಾಗಿರುತ್ತವೆ. ಸಾಲುಗಳ ಮಧ್ಯೆ ಅಂತರವಿರುವಂತೆ

ಮಧ್ಯಾಂತರವನ್ನು ಕಾಯ್ದುಕೊಳ್ಳಲು ಸಹಾಯಕವಾಗಿರುತ್ತದೆ. ಈ ಅಂಕಿಗಳು ಚಿಕ್ಕದಾಗಿ
ಇರುವುದರಿಂದ ಅವನ್ನು ಸರಿಯಾಗಿ ಓದಲು ಭೂತಗನ್ನಡಿಯನ್ನು ಉಪಯೋಗಿಸಬೇಕಾಗಿರುತ್ತದೆ
ಇದಕ್ಕಾಗಿ ಪ್ರತಿಯೊಂದು ಅಂಕಿಯ ಪಕ್ಕದಲ್ಲಿಯೂ ಸಣ್ಣ ಸಣ್ಣ ಗೆರೆಗಳನ್ನು

ಅಂಕಿಗಳನ್ನು ಸುಲಭವಾಗಿ ಓದಬಹುದು.

ಹಿಂದಿನಂತೆಯೇ ಇಲ್ಲಿಯೂ 390-9-4 ಮೈ ಸಿಲ್ಲು
ಆಗಿರುತ್ತದೆ. ಉದಾಹರಣೆಗೆ ಸಾಲುಗಳು 100/- ರಂತೆ
ವಿಂಗಡಣೆಯಾಗಿರುವುದರಿಂದ ಅಕ್ಷಾಂಶ ರೇಖಾಂಶಗಳ ಬೆಲೆಯನ್ನು
ಹೀಗೆ ಬರೆಯಲಾಗಿದೆ. ಉದಾಹರಣೆಗೆ ಅಕ್ಷಾಂಶದಲ್ಲಿ ಮೊದಲನೆಯ ಸಾಲು
ಕೆಳಗಿನಿಂದ ಮೇಲೆ ಅಂಕಿಗಳನ್ನು ಓದುತ್ತಾ ಹೋದಾಗ ಅಕ್ಷಾಂಶ ರೇಖೆಯ
ಬೆಲೆಯು ಕ್ರಮವಾಗಿ ಹೆಚ್ಚುತ್ತಾ ಹೋಗುತ್ತದೆ. ಅಂದರೆ ಸಾಲಿನ ಎಡಭಾಗದಲ್ಲಿ
ಎಲ್ಲಿಂದ ಓದಲು ಪ್ರಾರಂಭಿಸಿದರೂ ಬಲಕ್ಕೆ ಸಾಗಿದಂತೆಲ್ಲಾ ಅಕ್ಷಾಂಶದ ಬೆಲೆಯು
ಹೆಚ್ಚುತ್ತಾ ಹೋಗುತ್ತದೆ. ಇದೇ ರೀತಿಯಲ್ಲಿ ರೇಖಾಂಶದ ಬೆಲೆಯನ್ನು ಕೆಳಗಿನಿಂದ
ಮೇಲಕ್ಕೆ ಓದಲು ಪ್ರಾರಂಭಿಸಿದರೂ ಮೇಲಕ್ಕೆ ಸಾಗಿದಂತೆಲ್ಲಾ ರೇಖಾಂಶದ ಬೆಲೆಯು
ಹೆಚ್ಚುತ್ತಾ ಹೋಗುತ್ತದೆ.

ಈ ವಿಧವಾಗಿ ಅಕ್ಷಾಂಶ ರೇಖಾಂಶಗಳ ಬೆಲೆಯನ್ನು ಗುರುತಿಸಿಕೊಂಡು
ಇಷ್ಟಿಷ್ಟು ಅಕ್ಷಾಂಶ ರೇಖಾಂಶಗಳಿಗೆ ಒಂದೊಂದು ಚುಕ್ಕಿಯಂತೆ ಗುರುತಿಸಿಕೊಂಡು
ಬರಬೇಕಾದ ಸ್ಥಳಗಳಿಗೆ ಹೋಗಲು ಯಾವ ಯಾವ ಸಾಲುಗಳಲ್ಲಿ ಹೋಗಬೇಕಾಗಿದೆ
ಎಷ್ಟೆಷ್ಟು ದೂರ ಹೋಗಬೇಕಾಗಿದೆ ಎಂಬುದನ್ನು ಅಳತೆ ಮಾಡಿಕೊಂಡು
